## Pursuing an Internship Summer 2019

### Education

#### HIGH SCHOOL DIPLOMA | MAY 2018 | DOWNERS GROVE NORTH HIGH SCHOOL

- 3.4/4.0 GPA
- PLTW: Intro to Engineering Design, Principles of Engineering, Civil Engineering and Architecture, and Engineering Design and Development (**Senior Design**)

#### IOWA STATE UNIVERSITY | GRADUATION 2022

- No established GPA

### Experience

#### VOLUNTEER TEACHER | DOWNERS GROVE NORTH | SUMMER 2015, SUMMER 2016

- Taught middle schoolers how to model in Inventor during three-day engineering camps.

#### SALES FLOOR ASSOCIATE, CASHIER | THE TJX COMPANIES, INC. | AUGUST 2016 TO JULY 2017

### Projects

#### WEATHER BALLOON | 2016

- Co-founded the Engineering Club at Downers Grove North High School
- Launched a weather balloon to collect data in the stratosphere
- Presented the project at the IJAS science fair and competed at the state level
- Featured in Tom Skilling's Weather Day at U.S. Cellular Field as well as *TIME for Kids* magazine

#### 3D PRINTING | 2016 - PRESENT

- Utilize two 3D printers, one of which I built in entirety
- Learned how computers and 3D printers interact as well as learned to troubleshoot and analyze challenges during the build process

#### CAD COMPETITION | SPRING 2015, SPRING 2016

- Competed two times in the IDEA drafting competition using the CAD software Autodesk Inventor

### Involvement

#### CLEAN SNOWMOBILE CHALLENGE TEAM | SEPTEMBER 2018 - PRESENT

- The goal of this team is to convert a stock snowmobile into a quieter, more efficient, "greener" machine.

#### SOLIDWORKS AND CAD CLUB | SEPTEMBER 2018 - MAY 2019

- Working towards the CSWA certification using the CAD software Solidworks.

### Skills

INVENTOR, MATLAB, MS OFFICE, HTML, 3D PRINTING
